Associates of Arts Degree, *Kapiʻolani Community College 2011*

EXPERIENCE

Compliance Program Administrative Coordinator
UW Medicine
October 2019 - Current
Manage provider audit tracking software. Receive and process government payor audits. Support internal auditors with research. Prepare monthly reporting of audit data and status to present to UW Medicine Executive suite.

Clinical Assistant
Norco Medical
July 2016-October 2019
Excelled at completing special projects with limited oversight from management. Received and processed intake ofdocumentation for insurance billing. Scheduled set up appointments for several technicians in four locations. Performed clinical teaching appointments as needed.

Shift Supervisor
The Coffee Bean and Tea Leaf
May 2009- October 2011
Collaborated with management to exceed sales records. Fostered team morale by organizing team gatherings. Lead the team on Black Friday shifts to earn the second highest sales company-wide. Trained ten new and promoted team members. Promoted twice to shift supervisor during first year.
